**IF YOU ARE LIVING WITH HIV IN THE ACT REGION, THE TREVOR DALEY FUND (TDF) MAY BE ABLE TO ASSIST YOU IN A NUMBER OF WAYS.**

Through this fund we are able to provide practical and emotional support to:

- > Enhance your quality of life
- > Help you to live as independently as possible
- > Achieve your goals
- > Manage urgent medical related needs or living expenses

**THE TREVOR DALEY FUND HAS BEEN KNOWN AS THE "TDF" SINCE ITS INCEPTION IN 1992.**

The Fund was named after Trevor Daley, a local AIDS Action Council volunteer who died from HIV.

While the name remains the same, the Fund has now been broadened to provide new opportunities for people living with HIV. As the nature of living with HIV has changed over the years, it is timely that the TDF also reflects these changes.

**PRACTICAL WAYS THAT THE TREVOR DALEY FUND CAN ASSIST YOU.**

**THESE INCLUDE:**

- > Support to stay independent in your own home and community
- > Assistance with medical related costs
- > Advocacy, budgeting advice and money management
- > Assistance in times of crisis
- > Help in planning for your future
- > Return to work information and assistance
- > Personal or professional development opportunities
