FAIR DAY AT GORMAN ARTS CENTRE

Fair Day has been held annually since the first SpringOUT Pride Festival in 1999, with increasing numbers of attendance and diversity each year.

SpringOUT Pride Festival is Canberra's queer cultural festival which affirms the pride, joy, dignity and identity of Canberra's LGBTIQ (lesbian, gay, bisexual, transgender, intersex and queer) communities through events of celebration.

This year, Fair Day will again kick-off the popular SpringOUT Pride Festival at the Gorman Arts Centre on Saturday 28 October. The Gorman Arts Centre supports a range of innovative and accessible arts and community activities and is within easy walking distance of Civic and Braddon.

Fair Day has been the site of important community research including the Snapshot Lesbian and Bisexual Women's Survey and the Canberra Gay Community Periodic Survey. Fair Day continues to be one of Canberra's major grassroots community events.

THE AIDS ACTION COUNCIL

Since its establishment in 1983, the AIDS Action Council has been delivering important outcomes for the health and wellbeing of our communities. Services have evolved in response to community needs and medical advances. HIV work has stayed at the heart of what we do, and this work now sits within a broader focus on health promotion, prevention, treatment, community acceptance and the celebration of diversity across our community.

Our mission is to work with individuals, communities and partner organisations to: virtually eliminate new HIV transmissions by 2020; provide support for individuals and families living with and impacted by HIV; and build a strong and safe community that is free of discrimination, marginalisation and stigma.
